Pitch · Claude Meurisse

Chief Executive Officer · Strassen (CET) · +352 621 209 053 · claude.meurisse@luxhub.com

Kush është	CEO që nga 2023, para kësaj COO i LUXHUB-it nga 2018 dhe 15+ vjet IT në BGL BNP Paribas. Njeri teknik dhe operativ.
Çka i bie	Me rreth 40 njerëz dhe një sales manager, ka gjasa që punësimin e BDM-së ta vendosë vetë.
Çka duam	20 minuta me Blake ose Travis, ose një "po" për të parë dy ose tre profile për BDM-në.
Rëndësia	Blerësi më i mundshëm. Thirrja e parë.

1. OPENER

"Hi Claude, this is Uresë from Outsorcy. I know I'm calling out of the blue. Can I take 30 seconds to tell you why I called, and then you decide if it's worth continuing?"

Prit "yes".

2. HOOK + STAKES

"You're hiring a Regtech Business Development Manager. With Verification of Payee live, I imagine the next step is selling it to banks outside Luxembourg. How is the search going?"

NDAL. Lëre me folur. Ky është momenti më i rëndësishëm i thirrjes.

3. TURN: ÇKA BËJMË

"That's exactly why we exist. Funny enough, we didn't start as a staffing company. We were a marketing agency in Kosovo, and our clients liked our people so much they wanted to hire them directly."

"Now we help companies build their own team in Kosovo, same time zone as you. You interview and pick every person, they work in your CRM, your standups and your playbook, on your hours. We hold the employment, HR and payroll."

4. VALUE + PROOF

"Every person goes through our AI productivity training in their first month. One of our clients, Wondr Health, grew their SDR team by 200% in six months with us. We're 200+ people now, with clients in the US, UK and Switzerland."

5. CALL: PYETJA + TAKIMI

"So the question is: would you be open to a remote hire for that seat, if the person was right?"

"I'd love to set up 20 minutes with Blake from our team. He can walk you through real profiles. Would Tuesday or Thursday afternoon work better?"

Jep gjithmonë dy opsione konkrete, jo "when are you free?". Pasdite në Luksemburg është kur Blake është online.

Kujdes: mos premto frëngjisht. Mos përmend COO-n. Asnjë çmim.

Claude Meurisse: si me ju përgjigj

Rejection-at më të mundshme nga ky person. Mëso instinktin, jo vetëm fjalët.

1. "The role needs French."

"Understood. I won't promise that before I check with our recruiting team. Is French a must for the whole role, or for the Luxembourg clients?"

Merr përgjigjen dhe ma trego. Mos thuaj "yes, we have French speakers".

2. "Sales to banks is relationship work, it has to be local."

"Agreed, the Luxembourg banks stay with you. Where we help is prospecting and first meetings with banks in other EU markets, handed to you."

3. "We're regulated by the CSSF."

"Completely understandable. The person is a dedicated employee working inside your systems with your access controls, and we sign an MSA that covers confidentiality and data protection. Blake can walk your compliance team through it."

Mos premto asgjë tjetër.

4. "We already have candidates."

"Good. Would it help to compare them with two or three profiles from us? No cost to look."

5. "We want people in the office."

"Makes sense. Is the office time for the clients or for the team? The person works your hours and joins every standup on video."

6. "Talk to our sales manager."

"Will do. Can I tell them you suggested we speak?"

Nëse thotë po, thirrja tjetër është e ngrohtë.

7. "Just send me an email."

"Happy to. So I send something useful, is it the bank prospecting or the regtech knowledge that's hardest to find?"

Merr info-n, dërgo email-in, propozo datë konkrete.

Prano listën e tij. Mos premto asgjë për CSSF.

2. "We need 24x7 coverage on site."

"Makes sense. Is the on-site part for incidents, or for the daily support work? The daily work can sit with someone on your hours, same time zone."

3. "The role needs French."

"I'll check that with our recruiting team before I promise anything. Is French needed for the bank clients, or for the internal team?"

4. "That's not my hire."

"Thanks for telling me. Who owns it? Can I say you pointed me to them?"

Emri është fitore.

5. "We already have people overseas."

"Good, then you know how it works. This is different: you interview and pick every person, and they work full-time only for your team, on your hours."

6. "Just send me an email."
